

### Our little school

Our little school is the best school in the land,  
the best school in the land,  
the best school in the land,  
Our little school is the best school in the land,  
well now everybody knows that.

Our little school is the best school in the town,  
the best school in the town,  
the best school in the town,  
Our little school is the best school in the town,  
well now everybody knows that.
