

## Recycle

Here we go now, here we go now to recycle and be green.  
Place your items in a big box, make it all a big routine.

Cardboard boxes, old newspapers, garden waste, old cans and tins,  
Plastic bottles, foil and jam jars, oh the list goes on and on.

Wash your hands now, wash your hands now, clean off all the dirt and grime.  
Scrub your hands with soap and water, to remove the dirt and grime.
